

The **Eklavya-Ignite Fellowship** is a Travel Grant awarded to promising PhD and Post- doctoral students that will allow them to:

Attend a Keystone Meeting/Symposia or Gordon Conference/Seminar or another high quality/selective conference as a Presenter.

Preference will be given to first time Presenters.

Purpose:

The purpose of the Grant is to give young Indian scientists experiential exposure to leading researchers/research laboratories to gain knowledge, improve communication, learn soft skills relevant to cross-cultural workplaces, build confidence, and network with the global scientific community.

APPLY NOW - Ignite - Eklavya Travel Grant

Applications for the next travel window (January to March 2027), are now open from 1st October 2026. The last date for receiving applications is 20th October, 2026.

To apply: <https://lnkd.in/gssK4NZn>

OR

From the website, under ‘Apply for Grants’, use the option - Scholarship and Travel Grant Portal

Anyone can apply but, if all else is equal, preference will be given to those who (1) are from smaller institutes/universities. (2) are giving platform presentations (3) who are willing to accept part funding or funding less than INR 1 L (4) who are receiving a waiver/subsidy from the organizers for the registration fee amount (5) Candidates should come from non-profit institutions

This is a travel grant provided to doctoral students and postdoctoral trainees in life science in non-profit Indian academic and research institutions. This grant is available throughout the year until the funds available are exhausted. The grant money will be disbursed against actual expenses incurred. Notification of acceptance of presentation from the meeting organizers must be submitted.
